e-car lease Complaints Procedure

How should I complain?

If you are dissatisfied with your experience with e-car lease, we would ask that you write to us at the address below, setting out the nature of your complaint and enclosing any relevant information:

Complaints Department, e-car lease, Kings Business Centre, Warrington Road, Leigh, WN7 3XG

Alternatively, please feel free to speak with us on 01942 608 606 or send an email to enquiries@electriccarlease.co.uk, setting out the nature of your complaint.

What happens next?

Once we receive notification of your complaint, whether by letter, email or telephone, we will write to you as soon as possible, but no later than five (5) working days, to identify that we have received your formal complaint, that an investigation will be undertaken and also what we believe your complaint to constitute (this stage of the process is referred to as the "Acknowledgement of Complaint").

In the Acknowledgement of Complaint, we will identify to you the person within our Complaints Department who is dealing with your complaint (the "Complaints Officer"). This will provide you with a direct point of contact during the course of the investigation.

When you receive an Acknowledgement of Complaint, we would invite you to make further comments, should our response not completely reflect the full extent of your complaint. Please do so by responding to the complaints officer who is dealing with your case. During the process the complaints officer will keep you reasonably informed as to the progress of your complaint.

During the course of the complaint, we will only use the personal details you provide to us in order to assist with the complaints procedure. We will only use your details in a manner which complies with the Data Protection Act 2018.

How will the complaint be resolved?

The complaints officer investigating your complaint will consider all of the information and evidence which you provide. As part of this, we do encourage that you provide as much information to us as possible.

The complaints officer will conduct the investigation in accordance with the law and, where applicable, in contemplation of the relevant guidance set out by the Financial Conduct Authority.

When will the complaint be resolved?

While e-car lease endeavour to deal with your complaint as quickly as possible, you should expect a final written outcome of investigation within four (4) weeks of e-car lease receiving your complaint.

However, in circumstances where there is considerable information to consider or where we need to conduct a number of further investigations (including additional information from you), the outcome may take longer than four weeks. Should this be the case, we will keep you fully informed as to our progress and will ensure that the outcome is communicated to you no later than eight (8) weeks from the date of e-car lease receiving your complaint.

In our final written outcome, e-car lease will endeavour to summarise your complaint, setting out the results of the investigation and any views on the issues identified. e-car lease will also send out to you "your complaint and the ombudsman" in conjunction with our final written outcome. (More information is available via the Financial Ombudsman Service's 'Want to take your complaint further?' leaflet.)

What If I am unhappy with the outcome?

If you have a regulated consumer credit contract arranged by us and are not satisfied with our final response, you may be eligible to refer the matter either to the Financial Ombudsman or to the BVRLA Alternative Dispute Resolution service.

Financial Ombudsman Service

If relevant then you can refer your complaint to the Financial Ombudsman Service – you must do this within six months of our final response. When we send you a final response, we will also provide you with a copy of the Financial Ombudsman Service’s explanatory leaflet.
